

# Canned-Food Drive

By: The Fairmeadow Student Council Presidents

Kaylee Cheng, Aman Solanki, Zak Rahim, and Emily Xiao

The canned food drive starts on Friday, November, 30 and ends Monday, December, 17. Our goal is to reach 600 pounds of canned food. The collected cans will be donated to [Second Harvest Food Bank](#) and will go to families who need food. These families are throughout Silicon Valley. Firebirds, please donate! Every can counts. Send the cans with your student(s) but please don't send glass jars. There will be a box in each classroom where he or she can put them. Thank you for your support!
